## REMARKS

The figures of births and deaths shown in this statement for week ending the 20th April, 1957 relate to 194 towns with an estimated population of 28,556 thousands. Information about Assam, Kerala, Madhya Pradesh, Rajasthan, and West Bengal could not be included. The total number of towns is 318 and their population is 41,584 thousands. Thus 61% of the total number of towns representing 69% of the total population is covered in this statement.

The number of births and deaths recorded in these towns were 15,920 and 6,931 representing birth and death rates of 29.0 and 12.6 per thousand of population respectively.

No town recorded a high death rate of 50 or above per thousand of population. The following table gives the position by States:—

States	Current	w/e 20.4.57	Corresponding w/e last year
